

## Earning Your Tiger Belt

We are so glad you are a Tiny Tiger! Now it is time to show Mom and Dad that you are ready for your Tiger Belt. Read the five traits of a tiger with your parents, then do your best on every Tiger Task.

When you have done a good job on one of them your Mom and Dad will write in that box and you will color in the letter. When all the letters are done, color in the Tiger and bring it in to your instructor to get your new Tiger Belt!

**T**errific LISTENERS

*Tigers learn everything they need to know from their Moms, so they listen carefully and do exactly what she shows them. As Tiny Tigers we are good listeners and good workers. We are nice to our family and use kind words like "Please", "Thank You" and especially "I Love You"!*
